

## Disco Duck Activity Sheet!

### Cars and Trains

**Dance along with Disco Duck!** Let's do the Cars and Trains dance together. If you need to watch the dance, follow along here:

**Cars & Trains**

**Counting fun!** How many cars can you count?

**Counting fun!** How many trains can you count?

**Colouring fun!** Colour in Disco Ducks cars and trains pictures: You can find them here:

**Cars**

**Trains**

**Let's be active with Disco Duck and your grown up!:**

- How fast can you run around the garden or living room until your grown up shouts Freeze!
- How slowly can you move until your grown up says freeze!

**Let's Pretend:**

Let's pretend that you are going on a train journey.

Talk to your grown up about where you would like to go? What would you like to take with you? Make a train out of a box or something else you may have at home. You can make pretend train tickets and now, let's go on an imaginary train journey - what fun! On your journey, talk to your grown up about what you might see and what you are going to do at the end of your journey.

(Please send us your photos of your adventures, Disco Duck would love to see you having fun!)
